

Pitt Street Research issues Initiation Report on Azure Health Technology Limited trading as VGI Health Technology (NSX:VTL)

Sydney New South Wales, 8 June 2021 – Azure Health Technology Limited trading as VGI Health Technology (the **Company** or **NSX:VTL**) is pleased to announce that Pitt Street Research has issued an Initiation Report which can be accessed at this link: <https://www.pittstreetresearch.com/vgi-health-technology>.

VTL's CEO and Managing Director, Dr Glenn Tong, said that the founder and senior analyst of Pitt Street Research, Stuart Roberts, was one of the most experienced research analysts in the Australian biotechnology industry.

"We are very pleased that Stuart Roberts has invested time into analysing the VTL story," Dr Tong said.

"Stuart has done a great job in articulating the value proposition which VTL presents and how similar companies have successfully commercialised pharmaceutical products derived from natural sources. He also explains in very clear and simple terms how VTL's drug development and nutraceuticals business will add considerable value to the Company."
